Comments: Commenting on the "Post-Disturbance Hazardous Tree Management Project #60950". It is obvious to even a casual observer that this project is a COMMERCIAL LOGGING PROJECT, that the Forest Service is thinly trying to disguise as a "Post-Disturbance Hazardous Tree Management Project."

This COMMERCIAL LOGGING PROJECT, needs a whole different EIS, NEPA process of review to pass legal muster.

Go back to the drawing boards and re-submit this project as a COMMERCIAL LOGGING PROJECT.
