

Data Submitted (UTC 11): 5/10/2022 2:56:09 PM

First name: Terry

Last name: Bond

Organization: Providence Timber

Title: President

Comments: There would be multiple benefits to the proposed white pine removal project.

1. Managing the forest allowing restoration to its natural condition. 2. Providing natural raw material for the housing market. 3. Creating jobs in economic depressed areas. 4. Increasing the tax base.
