First name: Brenda

Last name: Rightmyer

Organization: Yankee Hill Fire Safe Council

Title: Managing Directo

Comments: It is important to address the damage/dead tree issues in USFS Region 5, Central Sierra Zone of the Plumas - Lassen Nation Forests. The project will add additional benefits that will enhance community protection from risk of catastrophic wildfires. Thank you for this project as we are in full support of the removal of damaged dead trees. at risk to public safety and health, that are along roads, trails and that are a threat to facilities.
