Comments: I would love to see cabins on the road system in Petersburg; for example at Three Lakes. In addition to the public areas for picnics, cabins on each lake would be a wonderful addition. There are those of us who don't have the confidence with tides and water or running an outboard to remote areas. It would be nice to drive to Three Lakes in the summer and camp with the kids or grandkids. There has been a lot of work done on the Three Lakes Trail system, but there is a lot more that needs to be done. This could be a fabulous recreation area. Maybe a cabin on the beach at Ideal Cove, with a picnic area and a dock and boat?
