First name: Rodger F. and Patricia C.

Last name: Miller

Organization:

Title:

Comments: Friday, May 13

Abbie Jossie, Darby-Sula District Ranger

I would like to make comments both now, and in the future, to the proposed "Bitterroot Front Project." I have no computer so I would like to receive printed details of the proposed plan, both the initial plan, and its future expansion. I would like to be informed of methods and designations designed for individual areas. I will pick up above documents when they are made available.
