Comments: [External Email]Fire Damaged Trees

Hello I pray this finds you and grace and peace. My name is Greg Ellison.. I am a resident of Idanha. I agree that the trees need to be dealt with on these outlying roads. My steak in the game maybe a little higher than some who would comment on this. I still have my home in Idanha. It didn't burn. Fire prevention and fire suppression are at the top of my concerns this time of year. Loosening some of the restrictions on the wood cutting processes would be of great aid also. If we could winch the logs to the road, I'm sure that more people would take more wood. Thank you
