Comments: I object to this project on the following issues:

- 1) Impact to the environment and the areas water supply (Lake Pactola / Rapid Creek). How extensive of a study was accomplished to review this impact? I couldn't get the documents on your site to open.
- 2) This is national forest land. No company should be allowed to profit by exploiting this land. If it moves forward I'll seek legal counsel to see if we can get the profits distributed to the citizens.
