Comments: The American people STRONGLY WANT TO PROTECT NATURAL ENVIRONMENTS!!!!

I am disappointed that the Forest Service is VIOLATING THE PUBLIC TRUST in your intention to abuse Cube Cove.

Cube Cove suffered badly from past logging, roads, etc. The American people IMPLORE YOU TO LET THIS AREA HEAL NATURALLY instead of using heavy equipment, etc., for a so-called "restoration" program.

RESPECT THE WILDERNESS of the Kootznoowoo area.

The Forest Service's plan would VIOLATE the letter and spirit of the Wilderness Act. Your proposal for using many chainsaws, helicopters, motor vehicles, and other motorized equipment is outrageous. The public also OPPOSES your plans for cutting many trees, placing woody debris in riparian areas, etc.

THE PUBLIC RESPECTS WILDERNESS AREAS and MOTHER NATURE'S ways of allowing damaged areas to RECOVER NATURALLY using Mother Nature's own methods.
