Comments: Cube Cove is healing from the damage caused by past logging, roads, and associated impacts, and the Forest Service's massive "restoration" program using heavy equipment is inappropriate for the Kootznoowoo Wilderness.

The FS's plan violates the letter and spirit of the Wilderness Act-through its extensive use of chainsaws, helicopters, motor vehicles, and other motorized equipment, plus tree cutting, placing woody debris in riparian areas, and other proposed actions.Please step back and let nature repair Cube Cove.
