Comments: [External Email]Fire Impacted Trees

To whom it may concern,

My name is Dean ODonnell. I am an avid outdoor enthusiast that enjoys snowmobiling, hiking and driving on the forest roads. In order to once again due the things I love, I am in favor of falling the damaged trees asap. Too many of the forest service roads are closed due to safety concerns caused by dangerous trees as a result of the fires of 2020.

Thank You,

Dean ODonnell
