Last name: Delardi

Organization: 3Designs /DB Enterprises,Inc.

Title:

Comments: I am in full support of the project, in specific the retaining of existing site structures and additions at Hermit lake. Updating or replacing the structures is important for a classic, unique outdoor experience replicated nowhere else in the world. The addition of a heat-able structure is very advisable and has my full support. I am amenable to enlarged parking areas and the other requested additions

-Derek Delardi
