Comments: IN THESE DIRE END TIMES...BECAUSE OF CLIMATE CHANGE...ANY THOUGHTFUL PERSON KNOWS HOW IMPORTANT & LIFE GIVING BIG, OLD GROWTH TREES ARE TO HUMANITY. TO CUT THE LAST REMAINING OLD GROWTH (2% OF WHAT ONCE WAS), IS FOOLISH & IGNORANT, WHERE THE FINANCIAL GAINS ARE NOTHING COMPARED TO THE HORRIBLE NEGATIVE EFFECTS OF REDUCED AIR FOR BREATHING AND REDUCED CONTAINMENT OF CARBONS. ALSO THE NEED FOR SHARE FOR HUMANS TO SUSTAIN THE HEAT IS URGENTLY NEEDED. USE YOUR COMMON SENSE & GROW INTO THIS ENORMOUSLY IMPORTANT REALITY BEFORE IT'S TOO LATE.
