Comments: The staging area needs to remain at the SCE sub station not up by the kiosk.

The access to the Green Lake overlook needs to remain.

The onion creek area needs to be maintained in a way that allows access to coyote from Big Pine and Bishop, a loop.

No elimination of any existing trails that are currently on the ground. Maintenance of existing needs to occur, none has.

Salty Peterson Mine road does need the closures removed this is one of the only roads that need no work.
