

Data Submitted (UTC 11): 8/19/2022 12:32:53 AM

First name: Claire

Last name: Perricelli

Organization: Not Employed

Title:

Comments: Please do all you can to save all of our remaining old growth. It is critical for fire resistance, climate resilience, habitat, watershed protection, and the list goes on. There is no excuse for any further cutting of old growth forests anywhere.
