Comments: I Question the selection of this 5 miles of forest road for paving

This paving would service primarily the off road vehicle trails, Haltiwanger Retreat properties and a small mostly seasonal community.

The off road trails are closed December 15th for the winter, and Haltiwanger Retreat was sold and closed in February of this year. I would question the logic of paving the road for convenience vehicles equipped to ride through rocks and forest and mud as advertised.

I've been here for 31 years. In that time there has been multiple studies and failed efforts to pave most notably FR597. 5 miles Badin Lake road would service at least 7 year round forest facilities.

Holts Picnic area, Arrowhead Camp ground. Cove Boat landing Kings Point. Badin lake Camp ground. Group Camp, and the Shooting Range. Seems a logical priority.
