Title:

Comments: Please no more GBA glades in the Gorham region until the parking and overuse problem is solved. More terrain combined with GBA's over use of social media in promoting is only going to crowd the limited glades in the northern region. There is no good parking option for the proposed glade. This will crowd the very limited parking angering locals and non glade users. Please build a new glade in a better suited area.

Thank you,

Concerned forest user
