Comments: The Skamania County Board of County Commissioners, fully supports the comments regarding the "Request for Information (RFI) on Federal Old-growth and Mature Forests, 87 Fed. Reg. 42,493 (July 15, 2022); Docket Number: 2022-15185" as submitted on August 29, 2022 by the American Forest Resource Council (ARFC) . We believe that the definition of "old-Growth Forest and Mature Forests" should be decided by local jurisdictions.
