Comments: To whom it may concern,

My name is Alex Thompson, I am a 6th generation Montanan currently in college. I love spending time with my family and friends in the woods and wilderness of this state. It greatly concerns me that a proposal has been made to add on to the current lodge at Holland lake and it makes me even more uneasy that an out of state company wishes to bring better amenities to a near wilderness cabin. I fear that this will bring more incompetent people to an already fragile area. Little to no money that the lodge profits will go back into the local economies of the Seeley-Swan. I believe that the area should remain in the same state to attract people that wish to use the area around the cabin for the correct purposes. Thus I want the proposal to be struck down.

Thank you for allowing the public to comment.
