Comments: I do NOT wish to see the Holland Lake Lodge property sold to and turned over to some wealthy conglomerate as they do not treat nor care for our lands as we do and more than likely they shall set up another "fancy camp" for the rich which eliminates the possibility for the working people of Montana to ever utilize it. Holland Lake Lodge in my opinion is a jewel for western Montana and the surrounding lands including Forest Service lands should always stay available to the common man and woman. Sincerely, Jim Zielanski
