Comments: I can certainly understand and agree with the need for improvements at Holland Lake Lodge. My hope is there will be protections built into the expansion approval to protect this pristine area, especially the lake. I'd love to see it become a no wake lake or at least the majority of it as such. Change is inevitable. Sharing our treasures is good, but I hope the Lodge will integrate locally, not be segregated and private. It should be part and parcel of the local community.
