First name: Brennan

Last name: Holmgren

Organization:

Title:

Comments: I do not support this expansion. I have been coming to this lake for over 30 years. My family built a cabin in the 1950's on the lake and a project of this Nature would completely take away from the lake in a whole. Holland lake is a natural treasure and an expansion would take away from that. I hope that the dollar sign is taken away from this process. The current state of the lodge is definitely in the need of new ownership and a new direction but this isn't the directions that needs to happen.
