Comments: My husband and I are in our eighties we live in Green Gap Shrs we travel the forest to check our mail. At times the road is so bad with dust from traffic we stop and pray we don't get hit. You cannot see anything. When I fell and hurt my back I had to wait over 40 minutes on an ambulance to get in here. There are 29 homes in here. There are 50 land owners in here. We would appreciate all the help on the roads we can get. Thank you
