Title:

Comments: We simply cannot afford to lose any more public lands. Selling off our public lands to the highest bidder is short sighted and just plain wrong. This land is a public treasure and once it is sold, only the very wealthy will be able to enjoy it. That is unAmerican. As a veteran and a citizen, I wish to continue to enjoy the public lands with my family for hunting, fishing, camping and hiking. Please do not sell off any more of our land.
