Comments: I've been a guest of the Lodge many times over the last 13 years, Holland Lake Lodge is one of my favorite places on earth. I love what Christian has done, but I'm also THRILLED at the expansion and improvements that Powdr is looking to do. Having a public swimming beach with docks, more bathrooms, rentals and necessary property improvements is an incredible asset for us all. I am SO SO HAPPY Holland Lake Lodge is staying public, and beyond thrilled at the scope of the improvements.
