First name: Micah

Last name: Schaible

Organization:

Title:

Comments: Please, please do not sell this space to a large corporation. Give it to the people. I have been to many parks in the East that are run by for-profit corporations, and they are all tasteless and ruin the natural beauty of the area. Please, DO NOT SELL TO THIS GIANT CORPORATION. They will surely destroy in order to build. Nature does not need that, and the people of Montana DO NOT WANT THAT
