Comments: Dear Forest Service, Many times I have visited and hiked in the Holland Lake area-it is a truly beautiful and peaceful part of Montana. I am totally against the development and expansion of this area. It seems like another big company is going to make this area into a place that ordinary Montanans will not be able to enjoy. Please keep this a place for all of us to enjoy-not just the rich people from out of state.

Thank you for considering my opinion.
