Comments: Let's leave nature neat, we don't need to exploit that much beautiful land. Please protect it and stop this land massacre.

"Several new buildings will be added, including a 13,000-square-foot lodge with 28 rooms, a 3,000-square-foot restaurant, a 2,000-square-foot welcome center for check-in, 10 650-square-foot cabins, 16 smaller studio cabins and new support buildings for maintenance and employee housing.

The new facility would hold up to 156 guests and will require larger wastewater and sewage systems and parking areas, requiring the removal of several trees. In addition, the East Holland Lake Connector Trailhead parking area would be expanded up to 3 acres."
