Comments: Dear Sirs and Madams,

I am vehemently opposed to any large scale resort-like "improvements" to the Holland Lake Lodge Facility. I am a 35 year resident of Montana; we life-long and longtime residents desire to protect at least some of the gentler, quiet getaways we've known all our lives. Certainly Holland Lake is just such a gem. I urge you not to support this greedy gambit; it serves no one but the developers.

Sincerely,

Marnie Prange
