Comments: I'm concerned about the impact of expansion on such a small, well used lake. There are already dozens of cabins on the other side, and a well used campground. These are used by families of various incomes, from near and far. The lake is too small to expand the existing lodge.....bigger is not better. I oppose expanding. I would like to see it remain a small scale operation, where it is a welcome sight on our kayak expeditions, not an eyesore.

I can't see that any of the residents along the incoming road would welcome that much more traffic.

I will be at the public meeting.
