Comments: I oppose a corporate buyout and development of Holland Lake Lodge. The number of people flocking to the woods and unrefined getaways during the last three stressful years...demonstrate loud and clear the need to destress and rejuvenate via inexpensive , nature promoting spaces. We don't need an expensive resort to draw the wealthy out of state...we already have difficulty obtaining affordable simple cozy abodes that let our eyes rest on the beauty of the landscape like Holland Lake Lodge and area do. Please don't change our beloved Holland Lake Lodge or area.
