Comments: I am very much opposed to expanding this area, please, please leave it as it is now. Any increased development and commercialization will degrade the area irreparably. This is a location for hiking, boating, and backpacking. Please do not give a big corporation any room to develop here!!! I wish I could make it to the meeting tonight, but I can't. Please listen to the public outcry and STOP this development. I want to be able to take my children and grandchildren to a pristine area, this will change the whole area and negatively impact wildlife and recreation for everyone!

Thank you,

Dana Prestridge
