Comments: Hello, I am writing to express my support for the proposed improvements to Holland Lake Lodge. I and my growing family have always enjoyed going to Holland Lake. The lodge is wonderful, but does need upgrades, repairs, and improvements. I very much enjoy the time I get to spend out on that serene lake, swimming, canoeing, and hiking. I was last there in the summer of 2021 with my first daughter. With a second daughter soon to arrive, I am already looking forward to taking her, too, on adventures in the Holland Lake area. Staying at the lodge there is, I hope, going to be a childhood memory that both my children will look back fondly on. \

I know growth and change is being met with a lot of resistance these days, but I imagine most people contacting you about the proposed changes at the lodge have never been there. I have, and I look forward to an even better Holland Lake Lodge than before. Please approve their proposal. Thank you.
