Comments: Please do not make a large resort on this land. My husband and I love to camp, kayak, fish, and hike around Holland Lake. Turning this into a large scale resort would destroy the wilderness of Holland lake. We love Montana for it's wild places and if you build a large resort you will be taking away yet another wild place and forcing more and more humans into a place that is meant to be small and quiet. The area in Seeley lake has resorts please do not expand that to Holland lake.
