Comments: I oppose the development at Holland Lake. We have been taking family vacations at this beautiful lake for almost 20 years. We camped, we stayed in the nearby Forest service cabin and came for day trips. We love the quiet and remoteness in the winter and the beautiful nature in the summer. I'm afraid that new development will change the character of the lake and the activities on and around it. It will get more crowded and more expensive and visitors will lose much of the authentic nature experience.
