Comments: I strongly oppose the expansion of Holland Lake Lodge. Our family loves camping in the state park along Holland Lake, the peaceful setting is one of the things we love. As an avid bird watcher and Audubon member, the habitat on Holland Lake is important for a variety of species including our favorite loons which we've seen swimming near the lodge when it wasn't busy and noisy. Expanding the lodge would create more noise and more traffic which would ruin the peaceful setting we love and negatively impact the wildlife in the area. Our family strongly opposes this expansion.
