Comments: Hello-

I am writing to object to the development of Holland Lake Lodge as proposed. Me and my wife were engaged and married at Holland Lake Lodge. We've taken our family up camping multiple times the last 5 years. Christian has done an amazing job with the lodge. My objection is based on that we have fewer places for Montanans to recreate and bring our kids to enjoy. This project will undoubtedly change the experience for the rest of the people recreating at Holland. It will be successful in becoming a destination that will further squeeze Montanans out by pricing and crowds.

Thanks
