Comments: I have been coming to Holland Lake for 40 years. We try to visit every 4-5 years as we celebrated our Honeymoon there 27 years ago. We were there last week for 4 days. My mother grew up in Missoula and she brought us there many times. I have gotten to know Christian and Nancy for the past 20 while visiting Holland Lake. I strongly believe there is no one who loves Holland Lake more than Christian. He knows how special the place is. I fully support whatever his wishes are. He has done a tremendous job keeping the place going and knows what is best for the future of the place.

I hope to be coming back for a long time. Crown jewel of Montana
