First name: Meaghan

Last name: Lee-Moriarity

Organization:

Title:

Comments: I oppose the proposed developments to Holland Lake Lodge. There is already enough pressure in this area and adding more people/ larger events will only impact the environment more. We rented Owl Creek cabin this summer and there was an event hosted at Holland Lake Lodge, we could hear word for word the songs the band was playing from the cabin! Keep it wild please and consider the long term consequences of these decisions.
