Comments: Re: proposal to expand construction at Holland Lake

I must say I don't go there often. Regardless, when I go into appreciate the beauty and quaintness of the setting. For the forest service to accept and establish a significant growth, even if any, to the existing structures do nothing more than destroy what has made and makes and will make Holland lakes such a special place. So to that end, I would like to have you accept my no vote on any! Construction!

Cordially,
