Comments: Dear Sirs and Madames;

This is regarding the proposed resort to be located at Holland Lake and Holland Lake Falls. This is such an incredible piece of Montana, with camping, gorgeous hikes, swimming and fishing. It is a quintessential Montana recreation area and should be preserved as such. I do not agree with the argument that "if they don't do it here, they will do it somewhere else". Let them take their financial interests and build elsewhere, as this wonderful place should be reserved for all people. There are plenty of up-scale resorts and clubs for people with money to spare. Yet the Holland Lake area is accessible from Missoula and is a precious area that people of all income levels can access and enjoy.
