Comments: I grew up in Utah and had the unfortunate opportunity to see money and industry pervert the once beautiful Salt Lake valley. That cancer then spread to the surrounding regions and has corrupted many once beautiful rural areas to the now suburbia hell that is Utah.

I would give all that I own to roll back the clock and undo much of what has been done. Please, please, please, do not let this happen to Montana! Please do not let Holland Lake be corrupted by money and industry. Montana is beautiful the way it is, please do not turn this into another failed, corrupted state like Utah.

Thank you,  
Josh
