Comments: Please do not allow this project to go through. How can you allow a conglomerate ruin such pristine and beautiful land for a Vegas-style build?? Please think about the wildlife and how they will be impacted by allowing this project to happen. Holland Lake is not the place for such an unattractive and vulgar plan.

Keep Holland Lake Lodge exactly the way it is. If you think you are making the right decision by allowing this catastrophe to occur you are sadly mistaken.

All i can say in closing is I hope you can sleep at night knowing that you had a hand in forever ruining a natural treasure.

Money isn't everything, in fact its pure evil.
