Comments: I have been very interested in moving to Montana for several years. The primary reason is due to the original character and beauty of the mountains, valleys and the people of Montana.

It will be a huge disaster to destroy such a historic and beautiful area by allowing this project to be built. All for the sake of making a buck. Please stop this project and help preserve all the beauty that Montana has to offer.

Maybe someday I will make it there, even though I am 74.5 years old.
