First name: Dr. Kathleen

Last name: Durant

Organization:

Title:

Comments: To Whom It May Concern

I have been a resident of Montana and also have several family members

Currently living in the area.

The proposed expansion ie: destruction of irreplaceable Forrest, historic buildings

Land and natural lake should be investigated on all levels including public residential

Hearings. Environmental impact studies and last but not least public disputes honored over

Power , greed and corporate overreach!

Dr. Kathleen Durant
