Comments: I am writing to share my opposition to the proposed resort project at Holland Lake. Currently it is difficult to find public wild spaces to enjoy. This project ruins more habitat for so many species in the area. When I want to see Montana, I do not want to see giant resorts on the shores of our waters. There is absolutely NO need for a restaurant on the water's edge instead is loons, ducks, deer, elk, bear, etc.!

Build your people mansions on private land NOT wild spaces.
