Comments: I vehemently oppose this project. Holland Lake and the surrounding area needs to stay as wild as it possibly can. I am a born and raised local Montanan and if this project is approved I will do everything in my influence to dissuade friends, family, and strangers from visiting Holland Lake. I will leverage social media to increase the breadth of my opinion.

This project is a mistake. It is wrong for Holland Lake and it is wrong for Montana. I will tell everyone who will listen about the travesty that befell this once beautiful area should this project be approved. Shame on the out of state developers for trying to slash and burn our pristine wilderness areas.
