First name: Julie

Last name: Norman

Organization:

Title:

Comments: This project and scope should not be allowed. The area is a refuge and recreational space used by many and should not be overshadowed by a commercialized business that does not respect the ideals of Montana. The lake and surrounding area needs to stay a place where Montans and visitors can recreate in peace and tranquility. Too many of those places in our state have already been destroyed by developments like this. Hold the line here and don't allow this to pass.
