Comments: Hello, please consider the outpouring opposition to allowing POWDR to expand amenities, build parking lots and increase traffic at soulful Holland Lake. We, Montanans, don't want the lands to be disturbed for the simple sake of profit - from a company that has been known to pillage the land and exploit the local people. Would the Holland Lake Lodge even be affordable to the people of Montana? or is this a project targeted for out of state visitors to swipe their Amex's and pay thousands of dollars for a "rustic" Montana experience? There is a lot to consider. Please listen to the people of the state which are also a resident of.
