Title:

Comments: Us Montanan's who have enjoyed hiking and leisure time at Holland Lake do NOT want this beautiful serene to be infested with more people and ruining our peace and quiet you are slowly TRYING to take away from us.

I was just up there with my 2 teenage daughters 2 weeks ago. On the ride home one says to me "I just love it up there- its so peaceful" this from a 15yr old! Nobody in Montana wants this....
