Comments: I strongly oppose this project. We choose to live in MT because of its beautiy and remote way of life. I have spent many years enjoy Holland Lake in its natural state. Holand Lake is a jewel that needs no extra polish to make it shine. We have enough resorts in Montana that have changed our local way of life. White fish and Big Sky are two examples of local areas that have been "improved" and now cater to the wealthy. We do not want to turn Holland Lake into tturn into another Teluride, CO or Park City UT
